Bursum Elected to Senate by big Majority

DEMOCRATS GAIN IN CURRY

This County Goes More Solidly For Party Than Ever Before in Its History.

While they lost in the state election local Democrats are jubilant over the vote received in Curry County.

The total vote gave Hanna a majority of 1639 as compared to his majority over Mechem last fall of 1184. This remarkable majority was in the face of the fact that at the Tuesday election nearly four hundred less votes were cast than at the general election. The total vote of the county shows a majority of over four to one for Hanna, whereas his majority over Mechem last fall was not quite three to one.

Thorough Organization.
While the Democrats fell short of their vote in the county they had a good working organization under Chairman A. W. Hockenull and not only got the party vote out but many voted for Hanna who did not support the ticket last fall. Every precinct in the county was carried by the Democrats.

Texico Goes 9 to 1
Texico is the champion Democratic box in the county, Hanna received 245 votes there while Bursum only received 27, the vote being about 9 to 1. This box polled more votes than it did in the election last fall.

Claud Returns to Fold.
Claud precinct voted Republican at the election last fall by a majority of 13. This was the first and only time a voting precinct has ever gone Republican in the county. In the election Tuesday the Claud precinct returned to the Democratic fold and gave a Democratic majority of eleven.

Grady Went Democratic.
Early reports from Grady caused a few Democrats to be a little downcast. It said that Bursum carried that box. Later reports showed it landed in the Democratic column by about two to one. The mistake was caused by a misunderstanding over the telephone.

Socialist Vote Light
The Socialist vote was exceptionally light at the election Tuesday, the nominee of that party only polling 59 votes in the entire county.

The tabulated results on this page give the vote by precincts for each candidate.

Enrollment Shows Decided Increase

The person who figures Clovis has not grown during the past year has but to consult Clovis' school enrollment records to be convinced of the growth the city is making.

City Superintendent Bickley reports the total enrollment of Clovis schools this year to be 1566 as compared to 1234 last year. This gives a total of 332 more pupils than last year or an increase of nearly twenty-five per cent in the scholastic population of Clovis. The high school last year had a total enrollment of 250, while this term the enrollment has already reached 300.

Hockenull Made Good Chairman

A. W. Hockenull, who is chairman of the Democratic forces in the counties of the Fifth and Ninth Judicial districts, reports the following Democratic majorities in the counties in the district:

Eddy	1100
Lea	500
Chaves	900
Roosevelt	1000
Curry	1639
Quay	900
DeBaca	355
Total	6394

These same seven counties last fall only gave 4915 majority for Hanna, thus the district organization under Mr. Hockenull at Clovis has made a gain of almost 1500 Democratic majority in the seven counties on the east side. The Democrats of this section are pleased with the wonderful showing that has been made under the new plan of having a district chairman of the party forces working to get the vote out on the east side.

WOULD MAKE CLUB GROUNDS AT HEREFORD

Judge L. Gough of Hereford was a Clovis visitor the latter part of last week. Judge Gough is one of the oldest settlers in this section of the plains country and has lived at Hereford since the town first started. He is now interested in forming a stock company which would take over Sulphur Park near Hereford and turn it into a country club. Sulphur Park farm contains about two sections of land and the best fishing ground on the creek near Hereford. Judge Gough says that this point is the only real fishing ground within a radius of many miles of Hereford and when the company is incorporated Sulphur Park will be beautified and will be the play ground of this entire section of the country. The company will be made up of stockholders from all sections of the plains country within seventy-five miles of Hereford and will be organized and operating before the fishing season next spring.

Community Fairs Are Big Success

The first fair of the season was held Wednesday, Sept. 14th, at Havener. Mr. and Mrs. D. V. Winn gave over their home for the day and with an abundance of shade and plenty of water a very successful day marked the opening of the community activities.

Mr. Ralph R. Will, county agent of Roosevelt County, judged the pigs that were exhibited by the club boys. The winning members are as follows: Cecil Horne, 1st; Clyde Horne, 2nd; Bertram Kempf, 3rd.

The party returned to Clovis late in the evening, all voting the day a delightful success.

HUNTER PEEVED OVER RESULT AT TEXICO

S. C. Hunter of Texico was in town Tuesday night getting election returns. Mr. Hunter is a strong Democrat and was a little peeved over the vote the Republicans got at the state line town. The vote was 245 for Hanna and 27 for Bursum. He says his organization had twenty-five Republican votes accounted for the day before the election, but that the opposition put two by them some way on election day.

To Co-Operate with Club Fair Movement

At a meeting held at the Chamber of Commerce Wednesday night it was decided not to have a County fair this fall but rather to co-operate with the Boys' and Girls' Club Fair to be held here Oct. 6, 7, and 8. The decision was reached on account of the lack of preparations that have been made and the short time yet before the fair dates to make arrangements. The Curry County Fair Association remains in tact and the officers and the committees appointed by them will lend co-operation toward making the Club Fair a success, the details of which are being worked out by Mrs. Edna Hume Durand, County Club Leader, and County Agent Hollinger.

WEST SIDE VOTE HEAVY

Majorities on East Side Are Wiped Out by Vote in Heavy Republican Counties of the State.

Senator H. O. Bursum has evidently been elected over Judge Hanna by a plurality of around seven thousand, according to claims from Republican headquarters, while Democratic headquarters concede the election of Bursum, they are not willing to admit that the plurality will be this large.

Eastern New Mexico gave a stronger Democratic majority than last fall but the heavy vote for Bursum in the western counties made majorities on this side of the state fade away. It is giving east side Democrats a great deal of consolation that Democratic majorities were increased in this part of the state and that the party was successful in getting a good majority of its vote to the polls.

CURRY IS BANNER DEMOCRATIC COUNTY

Curry is the banner Democratic county of the state, having not only increased the Democratic majority over last fall's election, but also having given a bigger majority for Hanna than any other county in the state.
